safe, gentle, effective

Specially formulated. An enriched protein shampoo & cream conditioner with coconut and lanol extracts plus shea tree butter.

Deep cleansing & conditioning. Rich natural lather cleans, conditions, moisturizes, and leaves a fresh, pleasant scent.

Compatible. May be used with topical or ingested flea and tick control products.

Nonstripping. Protects the natural, moisturizing oils in your pet's skin.

Nontoxic. Botanically formulated without soap or detergent. Detergent-based shampoo can be absorbed into your pet's system, causing toxic reactions.

Healthful. Promotes healthy skin and leaves soft, silky sheen on coat.
