PERMETHRIN 10%

Rapid Kill Insecticide Concentrate

DESCRIPTION:
Durvet's Permethrin 10% is a long-lasting livestock and premise spray that provides knockdown, broad spectrum kill, and excellent residual activity for up to 28 days.

FOR USE ON:
Dairy cattle, beef cattle, horses, sheep, goats, dogs, swine, poultry, livestock premises and homes.

ACTIVE INGREDIENT:
Permethrin……....10.0%
INERT INGREDIENTS…...90.0%
100.0%

BENEFITS:

- **EFFECTIVE INSECT CONTROL ON ANIMALS -** Permethrin 10% can be used on dairy and beef cattle, sheep, goats, swine and poultry. Plus, it is labeled for effective control of insects on horses and dogs.
- **INDOOR AND OUTDOOR PREMISE INSECT CONTROL -** Use it in homes and non-food areas of poultry houses, dairies, cattle barns, milking parlors, horse barns, swine houses, warehouses, restaurants and kennels.
- **BROAD SPECTRUM OF CONTROL -** Kills darkling beetles, poultry lice, fowl mites, horn flies, house flies and face flies. Plus controls fleas, ticks, lice and mange mites.
- **SAFE -** Permethrin is highly toxic to the insect with a very low toxicity to humans and animals.
- **ECONOMICAL -** One quart of Permethrin 10% makes approximately 25 gallons of ready-to-use product.
- **CONVENIENT MIXING -** Packaged in a squeeze-and-pour bottle.

DIRECTIONS FOR USE:
See product label for specific directions.

PACKAGING:
