Aloe advantage

Aloe Hyaluron Crème with Zinc Oxide

Description:

Aloe Hyaluron Crème is soothing and nourishing to the skin with Aloe Vera, Hyaluron (HA), Allantoin, Safflower Oil, Zinc Oxide, Vitamins E, A, and B. Veterinarian recommended.

For use on:

Horses & Dogs

Product Advantages:

- Spray on Crème formula clings to the wound/affected area. Just point and spray, no cross contamination
- Contains Hyaluron (HA) which is a major component of skin, where it is involved in tissue repair.
- Aloe Vera improves the skin's ability to hydrate itself, aids in the removal of dead skin cells, and has an effective penetrating ability to transport healthy substances through the skin
- May help protect skin from sun damage
- Sprayer makes it easy to apply hard-to-reach areas
- Non-staining, No stinging formula
- Tri-language label (English, German and French)
- Great for sunburned noses!

Packaging:

- 8.45 oz/250 mL trigger-spray bottle, 6/case
  UPC # 8-13049-00317-4

Ingredients:

Water, Aloe Barbadensis Leaf Juice, Mineral Oil, Cetearyl Alcohol & Ceteth-20 Phosphate & Dicetyl Phosphate, DI-PPG-3 Myristyl Ether Adipate, DI-PPG-2 Myreth-10 Adipate, Safflower (carthamus tincorious), Seed Oil, Propylene Glycol, Myristyl Myristate, C10-30 Cholesterol/Lanosterol Ester, Sodium Hyaluronate, Retinyl Palmitate (Vitamin A), Tocopheryl Acetate (Vitamin E), Panthenol (Vitamin B), Zinc Oxide, Sorbitol, Dimethicone, Allantoin, Carbomer, Methylparaben, Propylparaben, Sodium Hydroxide.

Directions for Use:

Cleanse the affected area with Aloe Advantage Cleanser with Phenol. Then spray the affected area with Aloe Hyaluron Crème at least twice a day. Be sure to spray crème a couple of inches around the edges of the affected area. Area can be bandaged if needed.
