

Manufactured for
Durvet, Inc.
 100 S.E. Magellan Dr.
 Blue Springs MO 64014
 800-821-5570

PRODUCT FACTS: For use in dogs only. Recommended to support healthy joint mobility, flexibility and strong connective tissue to help your dog maintain active lifestyle.

Directions for Use: One soft chew daily per 50 lbs. of body weight. One-half soft chew daily for smaller dogs.

Cautions: Safe use in pregnant animals or in animals intended for breeding has not been proven. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

Warnings: For animal use only. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.

Storage: Store in a cool dry place.
