

# GainIT!™

## FAT SUPPLEMENT

### Indications:

GainIT™ is a premium concentrated, high fat supplement for horses. *Aspergillus oryzae* has been added to support a healthy digestive function. GainIT! is formulated to provide extra calories needed for weight gain, support of normal physical and mental performance, and healthy skin/coat condition while helping to maintain proper gut pH. Your horse will love the Durvet signature flavor of fresh apples in GainIT!

### Approved For Use On:

Horses of all classes

### Product Advantages:

- Calories for weight gain
- Apple flavored
- Omega 3 and Omega 6 fatty acids
- Contains a source of live (viable) naturally occurring microorganisms
- *Aspergillus* to improve fiber digestion
- Convenient 8 lb. size with measuring scoop enclosed

### Directions for Use:

**Feeding Directions:** The enclosed scoop measures approximately 2 ounces.

**Horses:** For weight gain, feed 2 scoops (4oz.) daily with regular grain ration. For horses that train exceptionally hard or are stressed, increase to 4 scoops (8oz.) to 8 scoops (1 lb.) per day. For basic support of skin and coat condition, provide 1 scoop per day (2oz.). Serving based on an average 1100 lb. horse. Adjust amount given according to body weight; more for larger horses, less for smaller horses, ponies or foals.

#### Calorie Content (calculated)

ME = 3962.5 kcal/kg

ME = 139.32 kcal/scoop
