| Vitamin E | 208 IU/lb. | 13 IU |
| Biotin (min) | 78 mg/lb. | 5 mg |
| Ascorbic Acid (Vitamin C) | 1,040 mg/lb. | 65 mg |
| Saccharomyces cerevisiae | 150,000 cfu/lb. | 9,375 cfu |

HoofSOLID™ is an apple flavored pelleted hoof and digestive supplement formulated to provide optimum nutritional support for normal healthy hooves. The Omega 3 fatty acids in HoofSOLID™ help maintain pliability and moisture in the hooves. The nutrients in HoofSOLID™ work together to support cracked hooves and strengthen hoof walls. HoofSOLID™ helps support normal hoof growth, it includes the essential amino acids L-lysine and Methionine. It also includes Zinc, a trace mineral to help keratin development in the hoof walls.

Yea-Sacc® 1026

Contains Yea-Sacc® 1026 to help maintain a healthy intestinal tract

ISS20XB04

Feeding Directions: The enclosed scoop holds approximately six (6) ounces.

Horses: • Feed 6 oz. per day for 6 to 8 months then change to a maintenance level of 3 oz. per day. • At any time you may resume giving 6 oz. per day. • Serving based on an average 1,100 lb. horse. Adjust amount given according to body weight; more for larger horses, less for smaller horses, ponies or foals.

Ingredients: Biotin supplement, D1 Methionine, L-lysine, L-ascorbyl-2-polyphosphate (Vitamin C), Yeast Culture (Saccharomyces Cerevisiae grown on a medium of ground yellow corn, diastatic malt and cane molasses), Flaxseed Meal, Zinc Sulfate, D1-alpha-tocopheryl (Vitamin E Supplement), Copper Proteinate, Dehydrated Alfalfa Meal, Dried Distillers Grains with Solubles, Wheat Middlings, Soy Bean Meal, Natural and Artificial Flavorings.

Contains a source of live (viable) naturally occurring microorganisms.

Store in cool, dry place in sealed bucket.

For animal use only. Keep out of reach of children.
