

Use Pure Planet™ Poultry Spray in poultry facilities and directly on poultry (chickens, ducks and turkeys) to kill bed bugs, fleas, mites and ticks.

DIRECTIONS FOR USE

Read entire label prior to use and use product as directed. Shake well before use.
On Poultry: Only for external use. Thoroughly spray birds' chest, behind the head, under the wings and around vent. For best results, invert birds during application or manually displace the feathers to ensure that spray thoroughly coats the birds' skin. When applying product directly to birds, avoid spraying in eyes, nose and mouth. Product is not recommended for extremely old or debilitated birds or birds under 10 days of age.

Premises: Apply a coarse spray to floor area, especially to litter, around feed and water lines and to walls and support beams. Pay special attention to areas where pests have been seen or can find harborage such as cages, stalls, around the feeders and facility entry points. Treat at each grow-out or sanitation procedure, before reintroduction of poultry. Re-apply as often as necessary.

PRECAUTIONARY STATEMENTS

Prevention: Direct eye and skin contact may cause irritation. Inhalation may cause respiratory irritation in sensitive individuals.

Response: Eye Exposure: Immediately rinse eyes with water for 10-15 minutes.

Skin Exposure: Immediately wash with soap and water. **Inhalation Exposure:** Leave treatment area and seek fresh air. In all cases, if irritation persists, call a physician or 1-800-222-1222 for emergency medical treatment information.

Storage and Disposal: Keep away from children. Store in original, closed container in a cool, dry area. Do not store in direct sun or excess heat (above 80°F). Protect from freezing. Non-refillable container; do not reuse or refill this container. Offer empty container for recycling, if available; otherwise, discard in trash.

LIMITATION OF LIABILITY: To the extent consistent with applicable laws: a) Davis Manufacturing and Packaging, Inc. makes no warranties of merchantability or fitness for a particular use, or any other express or implied warranty except as stated on this label; and b) Buyer assumes all responsibility for safety and use not in accordance with the label directions and precautionary statements.

This product has not been registered by the United States Environmental Protection Agency. Davis Manufacturing and Packaging, Inc. represents that this product qualifies for exemption from registration under FIFRA Sec. 25(b).
