- **Apple Flavor**
- **New Encapsulation Technology**

Indications: AspirEze™+ aids in the temporary relief of pain and inflammation associated with arthritis and soft tissue pain in horses.

Directions: Give one level scoop daily to adult horses.
One scoop is 17 grams (29cc) or approximately 2 slightly rounded tablespoons.

Ingredients: Aspirin, rice hulls, anhydrous dextrose, molasses, calcium carbonate, soy oil, natural apple flavor.

Active Ingredients: Aspirin USP 2500mg per 17 grams.

Caution: For veterinary use in horses only. Not for use in animals intended for food. Contact a veterinarian if adverse reactions occur. Store in a cool dry place. Keep out of reach of children and other animals.

*Be sure to try Durvet's **AspirEze™ Aspirin Gel** - for temporary relief of pain and inflammation associated with acute trauma and short-term pain in horses.*
