Ascorbic Acid (Vitamin C)	875 mg/lb.	109.38 mg/scoop
<i>Aspergillus oryzae</i> (min CFU)	6.5 Billion/lb.	812 Million/scoop

GainIT™ is a premium concentrated, high fat supplement for horses. *Aspergillus oryzae* has been added to support a healthy digestive function. GainIT! is formulated to provide extra calories needed for weight gain, support of normal physical and mental performance, and healthy skin/coat condition while helping to maintain proper gut pH. Your horse will love the Durvet signature flavor of fresh apples in GainIT!

Feeding Directions: The enclosed scoop measures approximately 2 ounces.

Contains Yea-Sacc® 1026
to help maintain a healthy
intestinal tract

Horses: For weight gain, feed 2 scoops (4oz.) daily with regular grain ration. For horses that train exceptionally hard or are stressed, increase to 4 scoops (8oz.) to 8 scoops (1 lb.) per day. For basic support of skin and coat condition, provide 1 scoop per day (2oz.). Serving based on an average 1100 lb. horse. Adjust amount given according to body weight; more for larger horses, less for smaller horses, ponies or foals.

Ingredients: Stabilized Rice Bran, Flaxseed Meal, Brewers Yeast, Soy Flour, Soybean Oil, Calcium Carbonate, Natural and Artificial flavoring, L-ascorbyl-2-polyphosphate (Vitamin C), L-Lysine, Dried *Aspergillus Oryzae* fermentation extract, and plant protein products, processed grain by-products.

Store in cool, dry place in sealed bucket.

For animal use only. Keep out of reach of children.
