Ingredients: Stabilized Rice Bran, Flaxseed Meal, Brewers Yeast, Soy Flour, Soybean Oil, Calcium Carbonate, Natural and Artificial Flavoring, L-ascorbyl-2-polyphosphate (Vitamin C), L-Lysine, Dried Aspergillus Oryzae fermentation extract, and plant protein products, processed grain by-products.

GainIT! is a premium concentrated, high fat supplement for horses. Aspergillus oryzae has been added to support a healthy digestive function. GainIT! is formulated to provide extra calories needed for weight gain, support of normal physical and mental performance, and healthy skin/coat condition while helping to maintain proper gut pH. Your horse will love the Durvet signature flavor of fresh apples in GainIT!

Feeding Directions: The enclosed scoop measures approximately 2oz.

Horses: For weight gain, feed 2 scoops (4oz.) daily with regular grain ration. For horses that train exceptionally hard or are stressed, increase to 4 scoops (8oz.) to 8 scoops (1 lb.) per day. For basic support of skin and coat condition, provide 1 scoop per day (2oz.). Serving based on an average 1100 lb. horse. Adjust amount given according to body weight; more for larger horses, less for smaller horses, ponies or foals.

Store in cool, dry place in sealed bucket.

For animal use only. Keep out of reach of children.

Be sure to include Durvet's apple flavored **Ivermectin** and **Pyrantel Equine Wormers** in your horse's overall health program! Go to www.durvet.com to get your free Equine Health Record.
