HoofSOLID™ is an apple flavored pelleted hoof and digestive supplement formulated to provide optimum nutritional support for normal healthy hooves. The Omega 3 fatty acids in HoofSOLID™ help maintain pliability and moisture in the hooves. The nutrients in HoofSOLID™ work together to support cracked hooves and strengthen hoof walls. HoofSOLID™ helps support normal hoof growth, it includes the essential amino acids L-lysine and Methionine. It also includes Zinc, a trace mineral to help keratin development in the hoof walls.

Feeding Directions: The enclosed scoop holds approximately six (6) ounces.

Horses: • Feed 6 oz. per day for 6 to 8 months then change to a maintenance level of 3 oz. per day. • At any time you may resume giving 6 oz. per day. • Serving based on an average 1,100 lb. horse. Adjust amount given according to body weight; more for larger horses, less for smaller horses, ponies or foals.

Ingredients: Biotin supplement, DL Methionine, L-lysine, L-ascorbyl-2-polyphosphate (Vitamin C), Yeast Culture (Saccharomyces Cerevisiae grown on a medium of ground yellow corn, diastatic malt and cane molasses), Flaxseed Meal, Zinc Sulfate, DL-alpha-tocopheryl (Vitamin E Supplement), Copper Proteinates, Dehydrated Alfalfa Meal, Dried Distillers Grains with Solubles, Wheat Middlings, Soy Bean Meal, Natural and Artificial flavorings.

Store in cool, dry place in sealed bucket.

Not for human consumption. Keep out of reach of children, and other animals.
