OF CHILDREN

17 FLUID OUNCES (503 ML)

3 in 1 Oatmeal PLUS Mist

is a pleasantly-scented botanical spray designed to relieve itchy, sensitive skin caused by allergies to fleas and tick bites, grass or food allergies. Desensitizes and soothes inflamed skin in dogs & cats.

DIRECTIONS FOR USE: Adjust spray tip for desired spray texture, point spray tip toward pet and shield eyes from spray. Liberally spray pet paying particular attention to dry, crusty, matted areas. Let dry on coat. Brushing after use helps remove flakes and crust and helps bring the coat to a lustrous sheen.

FOR BEST RESULTS: Bathe your pet with **3 in 1 Oatmeal Plus Shampoo** to soothe skin irritation and promote healthy skin and lustrous coat. Then use **3 in 1 Oatmeal Mist** as often as needed between baths.

**May be used on
dogs and cats.**

**SHAKE WELL
BEFORE USING.**

INGREDIENTS:

Purified water, Pure Neem oil, Hydrolyzed oat proteins, Colloidal oatmeal, Glycerin, Sodium bicarbonate/baking soda, Wheat germ glycerides, Almond oil, Blend of cherry and botanical extracts, Vitamins A, D & E
