SandRID™

PSYLLIUM PELLETS

Product Facts

Active Ingredients: per 5.2 oz. (1 scoop)

Psyllium seed husk..... 140,000 mg

Inactive Ingredients:

Acetic acid, Ammonium hydroxide, Apple cinnamon flavor, Benzoic acid (a preservative), Citric acid (a preservative), Lignosulfonate, Molasses products, Natural mixed tocopherols (a preservative), Propionic acid (a preservative), Rosemary extract, Roughage products, Silicon dioxide, Sorbic acid (a preservative), Tartaric acid, Vegetable oil, Verxite granules, and Wheat bran

Cautions:

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven. Administer during or after animal has eaten to reduce incidence of gastrointestinal upset. An examination from veterinarian is recommended prior to using this product. Absorption of drugs taken simultaneously may be delayed.

Directions for Use:

Adult horse (1,000 lbs): Administer 1 to 1.5 scoops daily for one full week (7 days) out of every month. Give less to ponies, yearlings and foals; more to larger horses and draft breeds. Can be given during or after mealtime.

SCOOP = 5.2 oz.

Warnings:

Not for human consumption. Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.

**FOR EQUINE USE ONLY | May help
reduce the possibility of sand colic**
