OTHER INGREDIENTS....	99.285%
TOTAL.....	100.0%

NYLAR®, MGK® - Registered trademarks of McLaughlin Gormley King Company

Directions for Use:

See label for complete directions and precautions.

FLEAS & TICKS:

SHAKE WELL. Hold can upright 2 or 3 feet from surfaces to be treated. Turn container upside down and point valve toward surface to be sprayed. Be sure to apply uniformly using a sweeping motion to carpets, rugs, drapes and all surfaces of upholstered furniture. Be sure to treat pet bedding, as this is a primary hiding place for fleas. No need to remove pet bedding after treatment.

DO NOT TREAT PETS. Use a registered flea control product on your pets in conjunction with this treatment. Avoid wetting furniture and carpeting. A fine mist or spray applied uniformly is all that is necessary to kill fleas and ticks. Do not apply more than 1 time per week to the same surface for killing ticks.

Packaging:

16 oz. can, 12 per case UPC# 7-45801-11134-9
