## Flea & Tick Protection for Your Dog or Cat at a Better Value

### Same great protection at a better value

- Contains the same flea-and-tick-fighting protection as FRONTLINE® Plus
- Works quickly to kill adult flea and ticks
- Eliminates flea eggs and larvae – others don't

### Contains Fipronil and S-Methoprene the active ingredients used in FRONTLINE Plus

- Fipronil is the number one active ingredient available for control of fleas and ticks
- S-Methoprene breaks the flea lifecycle by preventing flea eggs and larvae from maturing
