

*Concentrate for  
Horse Spray  
and  
Other Uses*

8FL. OZ. (240 ML.)

**Glo-Marr Citronella Oil** contains NO PESTICIDE. Citronella is extracted from Citronella Grass (Cymbopogon Nardus) which is grown primarily in the West Indies and Sri Lanka and native in tropical America. Citronella Oil is economical and easy to use. When it is mixed with Cider Vinegar which is an astringent and Skin-So-Soft or Coat-So-Soft, your horse will have a healthy shiny coat.

Three suggestions for  
Horse Spray Mix:

2 oz. Citronella Oil  
2 oz. Skin-So-Soft or Coat-So-Soft  
1 Cup Cider Vinegar  
1 Cup Water

Shake well before each use. Apply a light mist.

Add 1/2 oz. - 1 oz. of Citronella Oil to existing fly spray.

Use as an additive to shampoo by adding 1/2 oz. Citronella Oil to shampoo/water bucket. Wash and rinse thoroughly.

**Active ingredients: Oil of Citronella — 100.00%**

**WARNING: KEEP OUT OF THE REACH OF CHILDREN.**  
For animal use only. Do not spray around the eyes. If skin irritation develops, mix may be too strong. Use a diluted solution. If irritation continues, discontinue use.
