

Hemp

joint soft chews

Hemp Joint Soft Chews provide your dog and cat with the nutrients to build healthy joint cartilage for overall joint health and increased mobility.

They are grain free, corn free, soy free, with natural preservatives and natural flavors.

Natural flavor that your dog & cat will love!

Recommended for

- Promoting cartilage development
- Supporting healthy joint function and flexibility
- Managing discomfort due to normal daily activities

Packaging

60 count, 12 jars per case
UPC#: 7-45801-01183-0

MADE IN THE USA

050225

Indications

Hemp Seed Powder – May help slow down the aging process and reduce inflammation in your dog, strengthen the immune system, and reduce shedding.

Hemp Seed Oil – Has a 3:1 ratio of Omega-6 to Omega-3 fatty acids and plays a role in many biological processes in dogs and may help with a number of degenerative diseases.

Approved for Use On

Dogs and Cats
