

Durvet Peanut Butter, Banana and Oatmeal Pup Treats

Ingredients:

- 1 egg
- 1/3 cup peanut butter (NO xylitol)
- 1 cup flour
- ½ cup oats
- ½ cup mashed banana

Directions:

1. Preheat oven to 300°F.
2. Combine all ingredients in a mixing bowl. The order of ingredients doesn't matter. Stir.
3. Knead until a dough forms. Add more flour if the dough is too sticky.
4. Roll dough into 1 inch balls and spread evenly across lightly-greased baking sheet.
5. Use the back of a spoon to flatten treat balls, or roll dough flat on a floured surface to cut treats using your choice of dog cookie cutters.
6. Bake at 300°F for about 20 minutes. Let cool before serving.
7. Store treats in an airtight container. Leave at room temperature or refrigerate/freeze for longer lasting freshness. Enjoy!
