

SAFETY DATA SHEET

Section 1: Identification

Product Name: HenHance Supplement

Chemical Name/Synonyms: Mixture

Application: Compound feed

Company:

Fusion Feed Ingredients LLC
5853 River Run
Fayetteville, AR 72704
www.fusionfeedingredients.com
email: info@fusionfeed.com

HenHance

Distributed by: Durvet, Inc.

In case of medical emergency, call 911.

For information concerning this SDS call +1 870 833 0438

Section 2: Hazard(s) Identification

Hazard Classification: This mixture is classified as not hazardous

Signal Word(s): None

Hazard Statements: None

Pictograms: None

Precautionary Statements: None

Description of other hazards: None

Section 3: Composition/ Information on Ingredients

Chemical Name	Synonym	CAS#	Conc.

Section 4: First-Aid Measures			
<p>After skin contact: No first aid required. Rinse exposed skin.</p> <p>After eye contact: Rinse immediately with clean water to avoid physical irritation of the eyes.</p> <p>After inhalation: No first aid required but move to fresh air. If symptoms occur such as difficulty breathing, consult medical attention.</p> <p>After swallowing: Rinse mouth with fresh water. Obtain medical advice if symptoms occur.</p>			
Section 5: Fire-Fighting Measures			
<p>Suitable extinguishing agents: Dry chemical powder, CO2, Water mist, Foam</p> <p>Special protective equipment for firefighters: Wear suitable protective clothing and self-contained breathing apparatus.</p>			
Section 6: Accidental Release Measures			
<p>Personal precautions: Avoid inhalation and contact with eyes or skin. Ensure proper ventilation.</p> <p>Measures for environmental protection: Prevent leakage into storm drains or open water if possible.</p> <p>Measures for cleaning/collecting: Vacuum or sweep into designated waste container.</p>			
Section 7: Handling and Storage			
<p>Handling: Use with proper ventilation. Avoid creating large amounts of dust.</p> <p>Storage: Store in original packaging in dry, cool, and ventilated area.</p>			
Section 8: Exposure Controls/Personal Protection			
Chemical Name	OSHA PEL	OSHA PEL (ceiling)	ACGIH OEL (TWA)
<p>General protective and hygienic measures: Ensure proper ventilation. Wash hands after handling.</p> <p>Breathing equipment: None unless proper ventilation is not available in which case use respiratory protection. Recommended filter: P2</p> <p>Protection of hands: None</p> <p>Eye protection: Wear safety glasses or goggles none</p>			

Section 9: Physical and Chemical Properties

Form: Mixed feed preparation

Odor: Natural grain smell

Odor threshold: No information available.

pH: 5.0-7.0

Melting point/melting range: No information available.

Boiling point/boiling range: No information available.

Flash point: No information available.

Evaporation rate: No information available.

Flammability: No information available.

Upper/lower flammability or explosive limits: No information available.

Auto ignition temperature: No information available.

Danger of explosion: No information available.

Vapor pressure: No information available.

Vapor density: No information available.

Relative density: 550-1000 kg/m³

Solubility in/Miscibility with water: <1%

Section 10: Stability and Reactivity

Reactivity: No data exists for this specific mixture. However, the primary component should not be exposed to strong oxidizers.

Chemical stability: Stable under normal conditions.

Conditions to avoid: Exposure to strong oxidizers.

Incompatible materials: Strong oxidizers.

Hazardous decomposition products: Thermal decomposition can result in release of carbon dioxide and carbon monoxide.

Section 11: Toxicological Information

Acute toxicity: No acute toxicity risk based on available information.

Potential routes of exposure/potential health effects

Skin: Not classified

Eye: Not chemically irritating to the eye. May cause physical irritation.

Inhalation: Not classified

Ingestion: Not classified

Carcinogenic effects: Not classified

Mutagenic effects: Not classified

Reproductive toxicity: Not classified

Sensitization: Not classified

Target organs: None known

Section 12: Ecological Information (non-mandatory)

Ecotoxicity: No data available

Mobility: Insoluble in water

Biodegradation: No data available

Bioaccumulation: Low potential for bioaccumulation.

Other information: Do not discharge product into the environment.

Section 13: Disposal Considerations (non-mandatory)

Dispose of product in accordance with national and local environmental regulations

Section 14: Transport Information (non-mandatory)

DOT regulations: Not regulated.

- **Hazard class:** Not regulated.
- **Land transport ADR/RID (cross-border):** Not regulated.
- **ADR/RID class:** Not regulated.
- **Maritime transport IMDG:** Not regulated.

Air transport ICAO-TI and IATA-DGR: Not regulated.

- **ICAO/IATA Class:** Not regulated.

Section 15: Regulatory Information (non-mandatory)

US Federal Regulations

SARA Section 355 (extremely hazardous substances): None listed

SARA Section 313 (specific toxic chemical listings): None listed

Clean Air Act, Section 112 Hazardous Air Pollutants (HAPs): None listed

TSCA (Toxic Substances Control Act): None listed

Section 16: Other Information

SDS date of preparation/update: 3/28/2025
