

Probiotics Gel™

Plus Vitamins

For enhanced nutrient absorption and digestive balance

Description:

Durvet's Probiotics Gel is a stabilized source of direct fed microbials, prebiotic inulin and select vitamins. When given as directed helps maintain appetite and digestion.

For Use On:

Horses

Benefits:

- Supports a healthy gut and natural appetite
- Promotes performance and recovery during stress
- Ideal for use during birth, weaning, diet changes, traveling, showing, and weather stress
- Easy-to-use oral gel formula for convenient daily or situational support

Feeding Directions:

Feed orally as directed and repeat as necessary. Do not give to animals without a swallowing reflux. Always provide fresh drinking water.

Foals: 5.0 gm at birth and repeat after 4 days.

Adult Horses: 15.0 gm once a day.
