

VitaminE

WITH PROBIOTICS

GEL™

Description:

Durvet's Vitamin E Gel is intended as a supplemental source of natural vitamin E for use as an aid in the prevention and treatment of vitamin E deficiencies in Swine, Cattle, and Sheep.

Approved For Use On:

Beef and Dairy Cattle, Swine, and Sheep

Benefits:

- Oral delivery is a safe alternative to injectable administration
- Vital for preventing deficiencies caused by poor quality feed
- Vitamin E supplementation can lead to improved recovery times from stressful situations such as weaning, shipping, breeding, and show
- Supports healthy muscle function
- Contains added probiotics that are beneficial in gut balance
- Serves as an antioxidant that supports the immune system

Ingredients:

Vitamin E Natural at 1,200 IU/10 mL, dried *Enterococcus faecium* fermentation product, dried *Lactobacillus plantarum* (fermentation product), dried *Lactobacillus acidophilus* (fermentation product)
